Comprehensive School Safety Commitments for 2025-2030

| | | Commitments |
|--|--|---|
| | Enabling policies and legal frameworks | Sistema Nacional de Acompanhamento e Combate à Violência nas Escolas (SNAVE) contempla a criação de políticas nacionais para o enfrentamento da violência nas escolas, promovendo uma articulação entre as diferentes esferas federativas e alinhando as normas locais às diretrizes nacionais. A Lei nº 14.811 e outras regulamentações relevantes são reforçadas para embasar a segurança e a cultura de paz no ambiente escolar. |
| | Safer school facilities | O SNAVE prevê a formação de comissões intersetoriais em estados e municípios para coordenar ações de segurança nas escolas, além de incluir medidas de infraestrutura escolar, como diagnósticos regulares que mapeiam vulnerabilidades físicas e organizacionais, com recomendações de adaptação para promover um ambiente seguro. |
| | School safety and education continuity management | Em caso de incidentes de violência extrema, o SNAVE oferece protocolos de emergência e estratégias para garantir a continuidade das atividades educativas, com ações de acolhimento e apoio psicossocial para a comunidade escolar, permitindo uma recuperação estruturada e integrada. |
| | Risk reduction and resilience education: | O programa promove cursos de formação continuada sobre segurança e convivência pacífica, com foco em desenvolver habilidades de mediação de conflitos e práticas de cultura de paz entre os profissionais da educação, aumentando a resiliência e o preparo para lidar com situações adversas. |
| | Reducing barriers and inequities for our most vulnerable learners: | Com a perspectiva de equidade, o SNAVE estabelece medidas para atender alunos em situação de vulnerabilidade, como ações intersetoriais com assistência social e saúde, visando reduzir barreiras de acesso à educação e promover um ambiente inclusivo e seguro para todos. |
| | Supporting health and well-being | Além do fortalecimento do Programa Saúde na Escola, o SNAVE integra a saúde e o bem-estar no planejamento de segurança escolar, com atenção ao apoio psicossocial e formação sobre saúde mental e emocional para professores e alunos, de modo a promover um ambiente de suporte e cuidado na escola. |
| | Implementing climate change adaptation measures | |
| | Implementing climate mitigation and environmental sustainability measures ('greening schools') | |
| | New or enhanced budget allocations | |
| | Strengthening data collection and evidence-based decision processes | O SNAVE orienta a alocação de recursos específicos para a implementação das medidas de segurança escolar e apoio psicossocial, incentivando a captação de fundos federais e a organização de orçamentos estaduais e municipais para ações contínuas de segurança e prevenção. |
